Sheet Metal Contractors • Sheet Metal Workers Local 20

Evansville • Ft. Wayne • Gary • Indianapolis • Lafayette • South Bend • Terre Haute

WELDING: This class will feature GMAW, SMAW, and GTAW. Participants will be practicing a lot of hands on exercises and procedures working towards certifications.

OSHA 10: This class will cover all safety issues required to obtain an OSHA 10 card. Mandatory attendance of all four classes is required to receive the OSHA 10 card. This course may be taken as an OSHA refresher for members.

AUTOCAD: Learn the basic commands and fundamentals of AutoCAD. Progress of the class is subject to the ability of the students and will gear towards HVAC duct drawings. Basic computer skills are a requirement.
