**GMAW:** Includes the fundamentals and practice in Gas Metal Arc Welding (MIG). Materials welded will be primarily carbon steel and galvanized. **This class will be exclusively hands-on, and students will work towards obtaining the SMW303-9g/g certification.**

**ALLEN COUNTY LICENSE TEST:** This class will prepare the student to take the Allen County License Journeyman Sheet Metal exam. Reference materials and books will be provided.

**BASIC AUTOCAD:** Learn the basic commands and fundamentals of AutoCAD. Progress of the class is subject to the ability of the students and will gear towards HVAC duct drawings. Basic computer skills are a requirement.
